The double points are only available to members of the Choice Privileges Rewards Program who are employees of Choice Hotels corporate travel partners that are the intended recipients of this email ("eligible members"). Eligible members will be awarded double points after a qualifying stay with arrival between 7/15/2020 and 12/31/2020 at a participating Choice Hotel. WoodSpring Suite locations, among others, are not currently participating. All hotels are independently owned and operated. "Double points" means two times the base points earned from a qualifying stay (base points may vary by hotel). To qualify for the bonus points, members must book their stays between 7/15/2020 and 9/15/2020 with a participating hotel via ChoiceHotels.com, the Choice Hotels mobile app, or 800.4CHOICE at a rate that qualifies for Choice Privileges points and arrive between 7/15/2020 and 12/31/2020. Corporate travelers may book through their online booking tool, GDS, or with a travel agent. Corporate travelers must provide their Corporate ID/IATA/Member ID when booking at 800.4CHOICE and, regardless of method booked, all members must provide their Choice Privileges member number upon check-in. Guest must book their preferred corporate rate. Production will be based on the amount of point earning stays booked with the Corporate Travel ID, the dedicated IATA, Rate Access Code, or Special Rate Plan by employees enrolled in the U.S. Choice Privileges program during the program term year. Most stays are eligible to earn Choice Privileges points EXCEPT: rooms booked at rates below $40 USD per night; certain hotel-initiated promotions; reward night stays, complimentary rooms, rooms paid for as part of a convention or meeting, rooms booked through a travel agent or third party online retailer including online travel agencies, wholesale packages, group tours, and stays booked using the employee discount or the friends, family and associate discount. Stays at vacation rental property locations and Choice Hotels properties in the following countries are excluded from this promotion: Japan, Norway, Sweden, Denmark, Finland, Iceland, Lithuania, Estonia, Latvia, Guyana, and Ecuador. To be eligible for the bonus points, members must set their earning preference to Choice Privileges points in their online account. Any changes made to earning preference will remain in effect after the promotion has ended, unless the member changes it. Points will be posted 2-4 weeks after the end of each month during the promotion period. Requests for bonus points made my members who did not include their Choice Privileges number on the original reservation during the promotion will only be considered up to 60 days after the promotion ends; requests thereafter will be denied. You must maintain an address in the U.S. (including U.S. territories) or Canada to be eligible for this promotion. Choice Hotels reserves the right to amend these terms or terminate this promotion at any time. Hotel participation may vary.
