

Teaching Position Available on Mobile Science Lab

MAEF is accepting applications for teaching positions on the Mobil Science Lab for the 2011-2012 school year. Applicants should possess and interest in promoting the importance of agriculture in our daily lives in an educational setting. Other assets included flexibility, strong behavior management skills, willingness to travel (sometimes overnight), and the ability to capture student interest and present lessons in an engaging manner. Teaching degree preferred. This position is part-time on an as needed basis working with elementary aged students (K-5). This is the perfect opportunity for a retiring teacher that has left the classroom but still wants to interact with students.
