

## **Young Farmers Activities by Becky Burrier**

Thank you, again and again!!! A huge “thanks” is due to all who generously supported Frederick County Young Farmers for a very successful Basket Bingo and Quarter Auction in March and April! We are now staying busy as we run through the rain showers to present the Farm Bureau’s Unsung Hero Awards at all 8 FFA chapter banquets in the county this month. In addition to the awards, each winner will receive a membership to Farm Bureau and an invitation to come visit our Young Farmers group. We look forward to welcoming a few new, younger faces to our group every year from this endeavor. Our June meeting will be hosted by Shea and Steve Smith on June 18<sup>th</sup> at 6:30 pm. Homemade ice cream is always a special treat at our July picnic at Rocky Ridge Park, this year we will be holding our picnic/meeting at 7pm after the Farm Bureau Picnic on July 21<sup>st</sup>. Please feel free to call me for details. If you are interested in agriculture and are between the ages of 18-35, please come join us for a meeting!
