

## MARYLAND FARM BUREAU WINS HONOR

Maryland Farm Bureau reached another milestone membership goal on June 16, 2009, by reaching 31,817 member families on their membership role and winning the coveted Navigator Award from the American Farm Bureau Federation.

Each year, AFBF recognizes state Farm Bureaus for exceptional membership growth. The percentage increase needed to receive the highest award varies based on the size of your membership. To achieve the 2009 Navigator award, Maryland Farm Bureau needed to reach 31,692 members, which is a 3.5% increase over last year's membership — a goal they surpassed on June 16.

Congratulations and thank you to all who have contributed to this success. This membership number will continue to increase through the end of the membership year on June 30, 2009, as we are headed for another record high membership.
