Come Join Queen Anne's County Farm Bureau Thursday, October 1st at 7:30 PM Via Zoom Meeting 2020 County Policy Development Resolutions With Maryland Farm Bureau

This year has been an unusual year due to COVID-19. We will **NOT** be holding our normal Annual Meeting as in years past. We would like you to join your current board of directors, Parker Welch, and Colby Ferguson from the Maryland Farm Bureau to discuss:

2020 County Policy Development Resolutions

We need county members to participate and discuss upcoming legislation in Annapolis. We need to present a draft of resolutions by October 16th, so Colby Ferguson can express our views in Annapolis to legislators.

You will need to contact us at our email address to register:

Farmers harvest more than crops,
They harvest months of hard work, early mornings, and late nights

Harvest
