

WESTERN MARYLAND TRUCKING FORUM OFFERED

April 4, 2022 – Washington County Farm Bureau is hosting a western Maryland farm trucking forum in early May. Representatives from the Maryland State Highway Administration, Maryland State Police, Maryland Vehicle Administration, and Nationwide will be on hand to present and answer questions.

The forum will be held from 9:00am – 12:00pm at the following location:

- Tuesday, May 10th at the Washington County Agriculture Education Center (7313 Sharpsburg Pike, Boonsboro, Maryland 21713).

All Farm Bureau members, farmers, and truck drivers are invited to this forum to discuss the issues facing farmers on rural roads and state highways. With spring planting coming up, members can hear firsthand how the latest trucking rules and regulations can affect their business. Farmers and truck drivers are encouraged to ask questions about IRP's, permits, tags and weight limits. Updated farm trucking manuals will be available.

Coffee and donuts will be served. If interested in attending, please register at bit.ly/2022TruckingForum. Questions about the event should be directed to Lindsay Stine at lstine@marylandfb.org.
